

NAAC 'A' Grade College

... the global career shaper

GANDHI ENGINEERING COLLEGE, BHUBANESWAR

VISION

"To commence with high quality education, the basic approach shall be excellence beyond teaching, which shall aim at continuous development and make unique contribution to the world of technology, for which the posterity shall be grateful to this centre of learning"

Dr. Satya Prakash Panda
Chairman, GGI, Odisha

An ardent teacher for last 44 years, a gandhian by heart and soul, philanthropist, visionary are some of the attributes which have been associated with Dr. Satya Prakash Panda. A person who dares to dream big and commands the ability to realize it, Dr. Panda has successfully materialized his dream in the shape of seven technical engineering colleges and a host of professional institutions, schools, orphanage, old age home spread over Gunupur and Bhubaneswar; thereby becoming the major force in transforming the technical education scenario of the State of Odisha.

The success of each of these institutions has been because of the emphasis on discipline, appropriate, meaningful systematic and quality education leading to excellence in university results and consequently students' placement, by recruiters of high repute over two decades.

Gandhi Engineering College (GEC) remains one of his pet projects wherein he continues to put his maximum effort and avid interest for continual development and growth.

Er. Manas Ranjan Panda
Vice-Chairman, GEC

GEC has in its helm of affairs a highly educated, widely traveled, young and dynamic individual in the persona of Er. Manas Ranjan Panda. Mr. Panda is the main architect behind the shaping up of GEC and has truly taken the legacy of Dr. Panda a step ahead.

Because of the exuberant zeal and untiring effort of Mr. Manas Ranjan Panda, GEC has witnessed meteoritic rise in a short span of time. Be it the architecturally beautiful buildings or the international ambience of the campus, it all bears the stamp of the person.

He has been instrumental in inducing innovative administrative practices, modern teaching methodologies and infrastructure of international standard; hitherto unknown in the state.

MISSION

"To expand human knowledge and benefit society through research integrated with education. We investigate most challenging, fundamental problems in technology in singularly collegial, inter disciplinary atmosphere, while educating outstanding students to become creative members of society"

GEC offers

B.Tech Programmes :

› Computer Science and Engineering (AIML)	- 180
› Computer Science and Engineering	- 180
› Electronics & Computer Engineering	- 60
› Electrical & Computer Engineering	- 60
› Electronics & Communication Engineering	- 60
› Mechanical Engineering	- 120
› Civil Engineering	- 60

PG Programmes :

› M.Tech - Computer Science and Engineering	- 18
› M.Tech - Communication System Engineering	- 18
› M.Tech - Power Electronics & Drives	- 18
› M.Tech - Structural Engineering	- 18
› M.Tech - Thermal Engineering	- 18
› M.Sc. - Data Science	- 18

Management / Software Programmes :

- ▶ Master in Business Administration (MBA) - 300
- ▶ Bachelor in Business Administration (BBA) - 32
- ▶ Bachelor in Computer Application (BCA) - 32
- ▶ B.Sc. - Data Science - 32
- ▶ B.Sc. - Information Technology & Management - 32

Diploma Programmes :

- ▶ Diploma in Mechanical Engineering - 120
- ▶ Diploma in Electrical Engineering - 120
- ▶ Diploma in Civil Engineering - 60

About Bhubaneswar

Bhubaneswar the capital city of the State of Odisha, which has been famous as temple city for hundreds of temples. Modern Bhubaneswar has become the hub of technical education of Eastern India with its 60 Engineering, 3 Medical, 4 Dental colleges besides around eighty general colleges. Government of India also has established National Institute of Science Educational Research, Institute of Physics, Institute of Mathematics, IIT, All India Institute of Medical Sciences, Institute of Life Sciences, IIIT, Institute of Minerals and Materials Technology. Regional Institute of Education. The city also has reputed Institutes and B-Schools like Xavier Institute of Management, etc.

Added to the above, software giants like : Wipro, Infosys, Satyam have already established their centers and others are also marching fast towards

Bhubaneswar. It is connected to all parts of India directly by Rail. Quality and frequency of Air services are also excellent. Soon the city has going to have an International Airport as well. It is dotted with excellent national standard hospitals and full of all types of star hotels, catering to the needs of all sections of society. Recent survey shows that Bhubaneswar is one of the five fastest growing cities of India. Hence a right place to become a citadel of modern education.

*has been a top choice for the
serious students*

STUDENT PLACEMENT An example for others to learn. 90% placement to the 1st batch B.Tech passouts of 2010 batch, 91% placement during 2011 batch, 93% placement during 2012, 87% placement during 2013 batch, 91% placement during 2014, 94% Placement during 2015, 95% Placement during 2016 & 94% Placement during 2017. Companies like Infosys, Oracle, Tech Mahindra, Hexaware, Honey Well, Capgemini, CSC, BMC Software, Vedanta, JK paper, OCL, Adhunik, Enercon, Evonik, HP, L&T Infotech, Essar etc. This is the indicator of high voltage performance of the Institution. For 2018 batch, companies like Hexaware, Jindal SAW Ltd., L&T Infotech, Tech-Mohindra, Flowmore Pumps & Unisis have already selected students. More companies like Simplex, Bhusan, CMS, Infosys, TCS, HCL Technologies, IBM, Accenture, Cognizent, Process MAP are in the pipe line and we are moving fast towards the dream target of 95% placement.

NAAC 'A' GRADE ACCREDITED COLLEGE

UNIVERSITY RESULTS Unparallel example. GEC was established during 2006. In the 1st semester exams itself, it snatched the 1st, 5th, 7th & 9th rank of BPUT. The same kind of performance has been achieved consistently every year.

TOP CLASS FACULTY Today only 7 engineering colleges of Odisha have got high performing result oriented faculties, GEC is one among them. That is the reason for its high University results and campus placement and proved as the most disciplined college without losing any working day.

100% INFRASTRUCTURE The quality and quantity of infrastructure is better than any college with decades of existence.

IN-CAMPUS HOSTELS 1100 seats. They provide everything that a student needs within the cost structure.

SITUATED IN THE HEART of Technical Education hub of Bhubaneswar, adjacent to infocity-II.

PACKED WITH ACADEMIC Co-curricular and extra curricular activities, which keeps the students active throughout the year.

ATTRACTIVE STUDENT'S CENTRE with shopping arcade, laundry, ATM, restaurant, gymnasium, music club, indoor games etc.

A PICTURESQUE campus after the present renovation with beautifully landscaped gardens, trickling fountains, grass lawns, auditoriums, huge A/C library.

GEC IS THE PET PROJECT OF LEGENDARY DR. SATYA PRAKASH PANDA - After proven track records GEC was designed to perform at a very high level far above of others.

Hostel

- ✓ In-campus separate hostels for boys and girls (all attached bath)
- ✓ Ragging free & disciplined campus.
- ✓ Round the clock security services equipped with CCTV Surveillance & biometric attendance.
- ✓ Highly experienced in-campus wardens & Superintendents.
- ✓ Standby Generators, 24 Hours water supply.
- ✓ Medical Officer on duty, 24 hours vehicle availability for emergency.
- ✓ 7 breakfast, 6 lunch & 7 dinner per week.
- ✓ Saturday evening cultural & entertainment programme.

In campus facility for Boarders

- ✎ Bank, ATM & e-corners
- ✎ Shopping Complex
- ✎ GYM, Aerobics & Yoga with male & Female Instructor.
- ✎ Volley Ball, Basket Ball, Tennis training academy
- ✎ Music Club with trainer for Guitar, Tabla & Keypad
- ✎ 24X7 access to NPTEL, Campus Intranet, Reading room, Library, Wi-Fi internet.

Separate care taker for each hostels and regular visits by Warden and Principal to take stock of the well being of the students is a unique feature in the hostels of GEC.

Central Facility Centre

Knowledge Centre

Information is the most important input in the making of intellectuals. Recognizing the potential of library in providing information services to meet the requirements of the students' academic and research programs and to cater the teaching fraternity, the library was set-up as one of the key divisions of the Gandhi Engineering College in 2006. Since then it is acting as the main information and learning resource centre of the college.

The library, spread over 12000 sq.ft. of carpet area, has a rich collection of more than 22000 text and reference books. Also it subscribes to 190 numbers of national and international periodicals. Scores of audio visual teaching materials like NPTEL also adds to its collection.

The DELNET feature provides access to the best of engineering, business, management, law & legislation and bio-technology related digital resources through subscription to various e-databases, such as;

The learning centre provides to access the best of e-journals like IEEE, Wiley - Black well, MC Graw Hill, Elsevier, ASTM, Springer, J-GATE, EBSCO etc.

Air-conditioned reading room

Sports & Extracurriculars

Separate playing arena for Cricket, Football, Basket Ball, Volley Ball, Badminton and athletics have been made available in the GEC campus.

GEC gives substantial focus to co-curricular and extracurricular activities of students. Students are continuously motivated to build their personality by participating in activities like debating, quizzing, essay writing, painting, dramatics, music etc. in this session, the scholastic club formed by the students organized **TECH EXPO 2K16**, inter and Intra college Competition including cultural event **GUNJAN**, Technical Event **BLITZTEC** and sports event **SPARKZ** quite successfully.

- * Organizes blood donation camp.
- * Distributes relief to the flood / cyclone victims of Odisha.
- * Arranges Seminars and Yoga Camps for the growth of ethics.
- * Organizes inter college quizzes / dance with collaboration.

Transforming Work, Life, Governance

September 2018, The L... Delhi

Campus Life

An exclusive **student center picture shown below** meets various needs of the students having provisions like

- * **FOOD COURT WITH ICE CREAM PARLOUR & BAKERY**
- * **GYM & FITNESS CENTRE**
- * **DISPENSARY & MEDICINE OUTLET**
- * **STATE BANK OF INDIA & E-CORNERS**
- * **BOOKS & STATIONARY STORE**
- * **MUSIC CLUB**
- * **BEAUTY PARLOUR**
- * **LAUNDRY**

Transport Facility

GEC maintains a fleet of Fifteen Institution buses plying on pre-scheduled timings to carry the students from various locations of the city to the campus. Ambulance facility.

The Honoured

What Our Proud

Alumni Say ?

GEC has provided me a wonderful environment and opportunity to learn and grow my self academically as well as to secure a place in the corporate.

HONEYWELL
Er. Pooja Agarwal

I believe that "Where there is a will there is a way" & my way was created by GEC for its devoted effort and encouragement made this a reality.

CAPGEMINI
Er. Kamakshi Choudhury

Thank u GEC for taking pain in bringing campus & letting me have a job. GEC has provided the platform to learn a lot especially ppt classes.

WIPRO
Er. Swagata Panda

My college is the best one which takes care of my valuable 4 years, because of that i can achieve this position.

INFOSYS
Er. Soumya Mohapatra

What i am because of my college, which plays a great role for getting this position.

TCS
Er. Malaya Kumar Sahu

The sweet moments of my GEC life sensetise me. I missing my classes, my library, my teachers everybody who gave me a lot.

COGNIZANT
Er. Suthapa Choudhury

Its really a great thing to me to write about my success in which GEC has a big part. Its become bridge between me and Accenture and gave me a chance to work with one of the best firm in the world. I can say that for me "GEC is ray of light in dark".

ACCENTURE
Er. Shambhavi

Through i have completed my B.Tech in EEE still i look for those classes where we learnt to be disciplined and respecting other with growing knowledge.

TECH-MAHINDRA
Er. Abhilasha Sharma

I feel extremely lucky and proud that i was destined to enroll as the student of GEC. The guidance we got from all my teachers and especially from our VC has just enlightened our career.

HEXWARE
Er. Chudala Prava

GEC taught me how to face the challenges in life and overcome the tough situations in the world. Rather i should say GEC, taught me the art of creating a new world and of course the art of life.

ADANI
Er. Smruti Ranjan Sahoo

Our GEC make us understand the value of discipline, punctuality, sincerity, hardwork in life. I am an extremely proud gecian we never realise that time and feel restricted.

CSC
Er. Sameer Ranjan Mohanty

I can't forget the memories of GEC, during my MCA career i learnt a lot from my teachers, my college for their valuable contribution.

ORACLE
Er. Jeeten Kumar Roy

The memorable day when i officially became an engineer, GEC bestowed me with the finest place of work. I wish all gets this honour to show their gratitude.

SAMSUNG RESEARCH
Er. Bidyut Kumar Behera

Papa says why you are choosing this new college, but when the time comes, me and my parent are satisfied with at most care of this institution.

ENONIK ENERGY
Er. Alok Pattnaik

School of Computer Sc. & Engineering

The department is well known for its consistent performance in terms of academic results. Backed by splendid computer labs and dedicated, skilled faculty members, the department promises more glory to the institution in coming times.

24 X 7 Eco friendly Wi-Fi Campus with high speed **500 MBPS** Internet Connectivity.

Facilities:

- Computer Labs with latest configuration and technology along with high speed internet facility allows the students to learn and expertise not only in regular curricular technologies but also helps in learning emerging fields like Artificial Intelligence, Machine Learning, Data Science, IOT etc.
- The faculty, most of whom are engaged in research are committed, enthusiastic and proficient.
- High-end Internet Web Server, Linux Server, Oracle and Gateway Servers.

In order to keep the students abreast of the fast changing technological developments in the field of Software and information technologies, the department emphasizes on additional courses on latest technology through in house, Swayam-NPTEL courses.

The department deals with digital logic circuits, microprocessor, digital signal processing, communication engineering, design and simulation, VLSI and project labs. All these labs are equipped with sophisticated instruments and trainer kits, most of which are custom designed to facilitate better demonstration and easier understanding of the students.

Membership of professional bodies :

Utmost importance is given on the active and avid participation of the students in laboratory activities which helps the students in upgrading their knowledge in practical aspects of the study.

Also the students are encouraged to give vent to their innovative urges through the robotic club.

School of Electrical Science

Considered as the epitome amongst all core branches, the department of Electrical and Electronics engineering at GEC, prides in itself for its high standard of teaching, ultra-modern laboratories and the innovative extra curricular educational programmes.

It regularly organizes training programme and workshops on matters like MATLAB, ORCAD and project works to supplement the curriculum which helps broadening the knowledge of the students.

Comprehensive industry need-based modular training programmes are also conducted for the students to help facilitate their placements in industries of repute.

The department comprises of Basic Electrical Lab, Network Devices Lab, Electrical Machine Lab, Power Electronics Lab, Control System and Instrumentation Lab etc.

Membership of professional bodies :

School of Civil Engineering

The discipline of Civil Engineering has been incorporated on the ambit of GEC in the year 2012. The department has established state of art laboratories which can provide opportunities for the student at all labels to get acquainted with latest development in various fields in civil of engineering.

Civil engineering is about the design and planning, construction, supervision quality control and maintenance of physical structure such as building road, bridges, dams, canals, airports, sea ports and power plants. Specializations in civil engineering include structure, transportation, geo-environment and water resources engineering. There is tremendous scope for those who is planning to establish career in this field.

The students in this field can employ themselves in government development arms which provide huge

opportunities for civil engineering under graduates with attractive salary.

By under going the quality training and experience in laboratory like:

1. Concrete Testing
2. Geo Tech Engineering
3. Transporting
4. Environmental lab
5. Survey lab

One can become easily placed with top infrastructure development companies.

School of Mechanical Engineering

The discipline of Mechanical Engineering has been incorporated in the ambit of GEC from the session 2009-10. As has been the norms and practices of all other departments of GEC, the mechanical department also envisages to have the best of faculty and lab / workshop facilities to provide the best of services to the students getting admitted to it

The laboratories of the department are Machine Shop, Fitting Shop, Material Testing lab., Hydraulic Machine lab., I/C Engine lab., Heat Power lab., Heat Transfer lab., Numerical Computation and Solid Modeling lab. Etc.

Advanced version of machinery, like Lathe machines, Universal testing machine, Torsion testing machine, Fatigue testing machine, Motorize Gyroscope, Pelton wheel turbine, Two stage twin cylinder Air compressor test rig, Steam turbine power plant etc. are very helpful in developing the practical knowledge.

Membership of professional bodies:

School of Management Studies

GEC is one of the quality driven Management Institute in Odisha. GEC stands out in its approach to assist and equip the students for their overall development, giving them a strong foundation for a successful future. This is a platform for academic excellence and providing industry-focused management

education to the students with a vision to make a trendsetting center for business education, where young minds are provided the

right balance of classroom learning and practical exposure to turn into successful professionals and inspiring leaders. This is an institution that believes in making business education highly relevant through periodic course review, regular industry interaction, hands on exposure and has faculty with the right mix of industry and academic experience from premier institutions of India. GEC offers two-year full time MBA Programme in Business Management, Marketing & Sales Management, Entrepreneurship, Marketing & Finance and Rural Management. The emphasis at GEC has been on preparing business leaders for tomorrow's society leveraging on its strong academia-industry collaboration. The holistic approach to pedagogy incorporates a wide range of co-curricular and extracurricular activities, and frequent interactions with top level executives from industry. The campus, located in the serene suburbs of Temple City Bhubaneswar, derives the benefits of a totally pollution-free cosmopolitan environment.

BBA

Gandhi National College is a comprehensive, multidisciplinary, research-focused, and student-centric Institute offering Bachelor of Business Administration that allows candidates to enter into the field of management and teaches them various aspects that are necessary for effective business management. The course methodology of this programme involves training through practical experience in the form of case studies, projects, presentations, industrial visits and interaction with experts from the industry which in turn makes a BBA graduate to get direct entry into the corporate world.

BCA

With the rapid growth of IT industry in India, the demand of computer professional is increasing day by day and hence Bachelor in Computer Application (BCA) has become the first choice among the students in the modern times. This course provides a lot of opportunities to the students who are interested in computer field and wants to work in the IT sector as programmer or software developer. The duration of the course is 3 years and divided into 6 semesters.

The study period of BCA includes various subjects such as Programming in C Language (Basic and Advanced), Networking, World-Wide-Web, Data Structure, Advanced C Language Programming, Database Management, Mathematics, Software Engineering, Object Oriented Programming using C++, Visual Basic, Programming using PHP, JAVA, Oracle, Operating Systems, Web Scripting and Development, etc.

BSc - Information Technology & Management (ITM)

Gandhi National College offers world class opportunity in Bachelor of Science in Information Technology (B.Sc. ITM) program for students completed their intermediate. The program is one of the best for the students to develop IT skills and have an illustrious career. The program offers a comprehensive course structure that provides the basic and advanced skills on computing and programming languages as well as application development and testing in real-time environment. The graduates can go for administration & Managerial line to become management consultant, training consultant or pursue higher study like MBA.

A BSc.(ITM) will have ample employment opportunity as Software Engineer, Software Developer Programmer, Web Designer, Web Developer, System Analyst-Com Specialist.

School of Polytechnic (Diploma)

GEC, the Diploma wing of Gandhi Group of Institutions is built on a sprawling beautifully landscaped area of Bhubaneswar - the temple city. The institution aims at moulding the budding technocrats with the competitive edge to match both national and international standards. The motto of the institution is not only to create successful technocrats but also aims producing good human beings who can be assets for

our society. It has all the facilities required for an innovative and creative technocrat with massive academic building, students activity centers, hostels, central library, central mess, auditorium, play grounds, well maintained beautiful gardens to provide academic ambience and all-round development of students. The most important aspect is that it is a completely ragging free campus and the campus is absolutely secured. The disciplined and natural environment of the campus inspires young talents to develop their creative ideas. The campus is technically focused and is planned to follow a structured system of academic management. The competitive and resourceful environment motivates the students to perform to the best of their abilities. GEC caters to the demands of the students by providing them the state of the art laboratories, libraries and industrial exposure to start a career with top engineering industries after the completion of their course.

It is the brand par excellence that excels in the technical education over two decades through high class education and placement.

When we go festive ...
