

College of Excellence

Autonomous Institution, Affiliated to Bharathiar University, Accredited with 'A' Grade by NAAC, ISO 9001:2015 Certified
Peelamedu, Coimbatore-641 004

The premier institution for
women's education
and **empowerment**

PSGR KRISHNAMMAL COLLEGE FOR WOMEN

Awarded with 'College of Excellence' status by UGC, PSGR Krishnammal College for Women serves as a new benchmark for institutions working towards women's education and empowerment. The college takes pride in acknowledging the strides of its past students whose career aspirations have resulted in sterling quality achievements.

Empowering women for responsible roles in social, cultural, scientific and administrative backgrounds was the foresight of its Founders, Shri. G.R. Govindarajulu and Smt. Chandrakanthi Govindarajulu, and is still the mantra in the implementation and execution of all activities in the college.

National Rank

10

Our Campus

Vision

To mould a future generation of empowered women through sound education, adhering to the underlying principles of truth and traditional values, revitalized by scientific outlook and strengthened by moral and social responsibility.

Mission

The institution aims at the all-round development of the students, empowering them with entrepreneurial and decision making skills by providing an excellent academic environment, inculcating values of discipline, dignity, dedication and devotion to higher causes, along with sportsmanship, to make them better citizens.

Our Founders Our Inspiration

The combined vision of Shri. G. R. Govindarajulu and Smt. Chandrakanthi Govindarajulu transformed Peelamedu into an educational paradise rendering women empowered, through education and social service.

The Institution

PSGR Krishnammal College for Women was started on 28th June, 1963 by Shri. G.R. Govindarajulu and Smt. Chandrakanthi Govindarajulu. It was inaugurated by the then Chief Minister of Tamil Nadu, Shri. Bhakthavatchalam.

The Institution caters to the needs of women in higher education. Having started modestly with 35 students and 10 faculty members, it has now established itself as a pioneer Institution offering traditional and modern courses with state-of-the-art technology, all the way from UG to Research level.

The UGC conferred Autonomous Status to the Institution in the year 2004 and the college is Reaccredited with 'A' Grade (CGPA - 3.58) by NAAC (National Accreditation and Assessment Council) in 2014 (3 cycle). All science departments (5 departments) enjoy celebrated elevation to 'Star Status' and 3 Computer Science departments are included under the 'Star College Scheme' of DBT.

Infrastructure

A clean and green campus, multistoried buildings with spacious classrooms and well equipped laboratories welcome the students. The computerized general library is stocked with the latest books and journals, both national and international. The computer science department has four modern computer labs for UG and PG courses respectively. They also have a library that caters to their specific needs. Volleyball, basketball courts and other sports facilities are available. The Hostel situated just 2 kms away from the college accommodates more than 1,000 students. Nutritious and hygienic food is available at the canteen. Refreshments and noon meals are provided at subsidized rates.

Accreditation by ICAI, ACCA, ICWA & ICSI

The Institution has been accredited to conduct coaching classes for CPT / IPCC, ACCA, ICWA Foundation & ACS Foundation / Executive programme by the Institute of Chartered Accountants of India, Association of Chartered Certified Accountants, Institute of Cost & Management Accountants of India and Institute of Company Secretaries of India respectively.

Highlights

- First women's college to start BCom in 1970 and BBM in 1987
- MBA course exclusively for women, from 1993
- Choice Based Credit System of flexible curriculum with a wide range of options
- 31 UG, 13 PG, 2 PG diploma and 3 certificate courses. M.Phil. and Ph.D. programmes in 11 disciplines
- Experienced faculty
- ICT in teaching-learning
- Research interest promoted at UG level through group / individual projects
- An excellent, ever growing library with 80,000+ books, 300 journals and magazines on various subjects and different disciplines of science, humanities and social science
- The Central Instrumentation Facility (CIF) is equipped with sophisticated instruments to promote Research and Development
- Industrial exposure at UG level through internships
- Science Academy sponsored lecture workshops
- National & International recognition in co-curricular activities
- Counseling Cell
- Yoga Club
- Sports Fitness Club
- Hands-on training and tie-ups with industries
- 2 biannual research journals published from the college
- Reputed publications in international journals / patent registrations
- Accredited by the Institute of Company Secretaries of India and the Institute of Chartered Accountants of India
- Coaching classes for competitive, Civil Service examinations / NET / SET & Bank examinations conducted
- 100% participation of students in community oriented programmes
- Developing entrepreneurial skills of students through GRG – IEDC
- UGC sponsored Community College and BVoc. programmes
- Proactive Internal Quality Assurance Cell (IQAC)
- Collaboration with research departments like CECRI, IGCAR, etc., at the national level
- MoUs established with Toledo University, USA; Nottingham Trent University, UK; Universiti Malaysia, Pahang; CETYS University, Mexico; San Diego State University, USA and Oregon State University, USA, for staff exchange and student exchange programmes
- 100% placement for registered students in reputed multinational companies.
- Recognized 'Super Resource Centre' for Spoken Tutorial Project, IIT Bombay sponsored by MHRD
- Hostel accommodation with gym, STD booth, photocopier, library, stores and beauty parlour
- Aesthetically designed, spacious cafeteria providing healthy and hygienic food
- Best sports facilities, Multipurpose gymnasium and indoor auditorium facility

- Taxation with e-filing & GST
- NET/SET Coaching
- Service Exams Coaching

Add-on Courses

- Creative Writing and Theatre Arts
- Tourism and Travel Management
- Embedded System Design
- Commercial Horticulture
- Pathology and Clinical Laboratory Science
- DTP and Multimedia
- Yoga

*Students to bring laptop for classroom learning

Innovative Courses

Bsc Computer Science with Cognitive Systems*

- Unique curriculum designed in association with TCS Limited
- Innovative syllabi with 50:50 theory and practice component
- Strong practical exposure to industry relevant tools and techniques
- Effective teaching and assessment by the faculty skilled through TCS experts
- Focus on cognitive, design thinking and critical problem solving skills
- Empowers graduates with good employability skills
- Adaptation of a more specific training material from TCS experts
- Ensures exceptional career opportunities in IT/ITes/ITIS companies

B.Com. Actuarial Management

- Versatile blend of Mathematics and Commerce
- Caters to the growing needs and market challenges
- Syllabus as prescribed by the Institute of Actuaries, London
- Exclusively designed to enhance business oriented approach to decision making in insurance and actuaries

B.Com. Financial Services

- An innovative course to suit the emerging trend in Financial Services
- This course is designed to provide necessary knowledge and skills for the students in four verticals. i.e., Banking, Insurance, Financial and Capital Markets
- Ensures career opportunity in the financial services sector at the middle level
- Curriculum is in tune with industry requirements which ensure immediate employment of students
- Coaching and training of students by industry experts

B.Sc. Costume Design and Fashion

- An intense practice based course, training students in fashion designing and garment construction
- More emphasis on skill component and practical training in the curriculum
- MoU with leading Garment industries in India
- Internship and projects for the students in the leading garment industries
- Training and exposure to entrepreneurship giving scope for setting up their own ventures at the end of the course
- Ample job opportunities in Garment Industries, fashion designing studio, textile mills, knit wear units, dyeing and printing units, khadi and craft development organizations and educational institutions and good campus placement opportunities

BBA Business Process Management

- Specialized UG programme to train students in various industry specific services like Banking, Insurance, Financial services, Retail, Manufacturing, etc.
- Curriculum designed jointly with TCS-BPO Limited
- MoU with TCS Limited to offer the course
- Placement opportunities in all ITES companies
- Special coaching and training by experts from TCS Limited
- Preference in placement

B.Sc Food Processing Technology and Management

- The food industry is worldwide and graduates can obtain internationally with careers ranging from Quality Control, Production, Micro biology, Sensory Science etc.
- Knowledge of food science is required to make decisions on such issues as food irradiation, genetic modification of foods, food contamination and toxic compounds & food preservation
- Since there is dearth of skilled professional in this area, the programme offers ample scope for the students with requisites skill in food research laboratories, catering companies, food wholesalers, hospital and restaurants
- The modern job market for food professionals demands people with technical skills as well as an understanding of regulatory and policy issues in all levels of Government and private sector

Innovative Courses

BVoc. Garment Designing

BVoc. Beauty Therapy and Aesthetics

- UGC sponsored skill based degree programmes
- No age limit
- More emphasis on skill component and practical training in the curriculum
- Curriculum designed as per NSQF standards
- MoU with leading Garment industries / Beauty Parlours in India
- Internship and hands on training for the students in the leading garment industries / beauty parlours
- Assured placement and provides opportunity to start their own business by the end of the course

Community College

Advanced Diploma In Garment Designing Advanced Diploma In Multimedia & Animation Diploma in Beauty Therapy (1 Year)

- UGC sponsored skill based diploma programme
- No age limit for Community College with option for multiple entry and multiple exit
- Diploma - on completion of first year, Advance Diploma on completion of second year and can join third year BVoc. degree programme and obtain the BVoc. degree
- More emphasis on skill component and practical training in the curriculum
- Curriculum designed as per NSQF standards
- MoU with leading industries in India
- Internship and hands on intensive training for the students in the leading industries
- Assured placement and provides opportunity to start their own business by the end of the course

M.A. English Literature* (SF)

- An advanced degree in English Literature serves as a strong foundation for a wide variety of careers
- There are job opportunities in diverse fields like Research, Teaching, Creative Writing, Corporate Sector, Events Management, Retail Management & Sales, Technical Writing and Content Writing & Journalism

Due to the overwhelming demand for the M.A. English Literature programme a second batch in the SF Category will be started from the academic year 2020-21.

New Courses Introduced 2020-21

- B.Sc. COMPUTER SCIENCE WITH COGNITIVE SYSTEMS* (in collaboration with TCS)
- M.A. ENGLISH LITERATURE*

*Subject to approval from Bharathiar University

Co - Curricular Activities

Students are not only academically trained but also groomed in various other fields, leading to holistic development of their personality.

NCC has always been the pride of the college. The cadets exhibit their talents in shooting, aero-modeling, map reading, gliding, parasailing, mountaineering and trekking.

The cadets have represented the Tamil Nadu Contingent at the Republic Day Parade and have also participated in Youth Exchange Programmes.

NSS units have been engaged in computer literacy programs, vocational training, development of entrepreneurial skills, formation of self-help groups, etc.

The YRC has more than one hundred blood donors. Members undergo first aid training and visit old age homes and orphanages. Regular yoga classes are conducted for undergraduates.

Special coaching given in the field of sports and games have resulted in students excelling in Volleyball, Basketball, Football, Athletics, Karate, Power weightlifting, etc., at the University, State and National level meets.

Besides these, there are innumerable clubs such as Eco-Watch, Quiz Club, Rotract, Fine Arts Association, Tamil Mandram, Literary and Debating Association, etc.

Academic Profile

The institution has continually bagged the maximum number of ranks in Bharathiar University from the time of its inception, and has maintained a pass percentage of above 90%. The Institution became Autonomous in 2004. It enjoys academic freedom to update and modernize the curriculum to meet global standards and introduced the Choice Based Credit System (CBCS).

Outcome Based Education Curriculum from 2016-17.

Value Additions

Job oriented and add-on courses such as Insurance, Tourism, Creative writing and Theatre arts are conducted after college hours to ensure employment. Training for competitive exams are also offered. Short duration certificate courses take care of the varied interests of the students. Women Studies Centre and Gandhian Studies Centre provide for the holistic development of women. These UGC sponsored centres focus on the role of women in society and adopt strategies for the development of society without gender bias.

Dr. Ambedkar Studies Centre aims at developmental programmes for the underprivileged sections of the society. State-of-the-art infrastructure for research (CMIE database, Online journals, SPSS packages, etc..) in various fields are available. Indian Art and Culture is promoted through film shows and exams conducted by cultural organizations such as Vivekananda Kendra. Personality development courses are also conducted for all students.

Centre For Career Development

The aim of the centre is to narrow down divisions between SC/ST/OBC minorities, physically challenged students and the rest. It facilitates and promotes opportunities for social and educational empowerment leading to employment in both State and Central service, and equivalent positions in the private sector.

Seminars, Workshops, etc.

Every year a number of Seminars, Symposia, Workshops, Guest lectures and Exhibitions are organized by various departments, many of which are sponsored by the UGC. Students are able to interact with experts in their field of study and are exposed to the latest developments.

Campus Company

The 'Campus Company' programme was inaugurated in March 2014. This company is scheduled to legalise and commercialise the products developed through the Entrepreneurial Development Cell projects of both faculty and students within the college campus.

Student Support Services

Placement Cell

The college holds a track record for offering its students top level opportunities at some of the most prestigious organizations in South India.

Counseling Cell

Students with personal problems including financial concerns are given guidance and counseling by a team of experienced faculty.

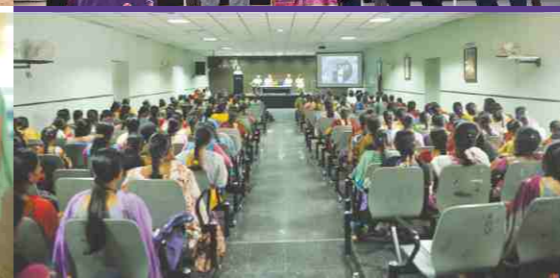

Scholarships

Students have also received scholarships worth ₹ 20 lakhs from the Government. The Management offers free education to 115 students and awards scholarships worth ₹ 35 lakhs.

GRG Innovation and Entrepreneurship Development Centre

The Department of Science and Technology has sanctioned the establishment of an Innovation and Entrepreneurship Development Centre (IEDC) at the college for encouraging entrepreneurship oriented activities.

Entrepreneurship awareness camps, FDP funded by DST-NIMAT organized. 'Centre for Skilling & Development' trains women entrepreneurs.

e - Learning Facility

A-View Facility

Amrita Virtual Interactive e-Learning World (A-VIEW) is a framework that provides a rich, interactive, social environment for e-Learning in educational, corporate, entertainment and other applications. A-VIEW is a highly compact and flexible software with an objective to provide a platform for sharing the values, resources and knowledge of excellent teachers from all over the world to students through the EDUSAT network. The A-VIEW platform involves multiple displays, which will give students an unhindered and uninterrupted view of slides, whiteboard and other multimedia material apart from the teacher's audio / video. The sessions are recorded and indexed so that it is available to the students for later reference.

Virtual Lab

A Nodal Centre for a Virtual Lab is to be established in collaboration with the National Mission for Education through Amrita Vishwa Vidhyapeetam, Kollam.

National Programme on Technology Enhanced Learning

The objective of NPTEL makes e-learning material available on the web, for the video lectures to supplement classroom teaching. A large number of students who are unable to attend scholarly institutions will have access to quality content through NPTEL. The NPTEL project has currently more than 550 courses available and our students have access to this material.

My classroom

Introduction of Myclassroom - social learning platform to enrich learning experience. Faculty upload the learning material and video lessons in the portal.

PSGR Krishnammal College For Women Alumni Association

The Alumni Association of the college acts as a powerful tool in the development of the college and its student community. It awards Gold Medals to the best outgoing students and prizes to rank holders. It provides excellent service in the field of placement too.

Business English Course

In collaboration with the British Council, the college offers BEC, an internationally recognized qualification in English for employment, trusted by employers and universities in more than 60 countries.

French & German Courses

DELF and DALF proficiency French courses are conducted by ALLIANCE FRANCAISE. German courses are also conducted.

e-Learning

Our college provides e-Learning through the web portal <https://elearning.psgkrc.com/in> in Science and Humanities streams. Subject materials are available in text form that would cater to the students at the undergraduate level, postgraduate level as well as to research scholars. Video lectures are also provided with the objective of engaging students and teachers through exciting hands-on application of maths, computer science, and engineering principles.

Under 'Spoken Tutorial Project', Sponsored by MHRD, our college offers 32 Online Certificate Courses including Sci-lab, Blender, LaTeX etc. certified by IIT, Bombay.

Geriatric Care Certificate & Short Term Courses

Our institution is recognized as a "Regional Centre" in Geriatric Care by the National Institute of Social Defence, an autonomous body of the Ministry of Social Justice and Empowerment. Various programmes related to the care of the elderly are carried out, including a six month Certificate Course in Geriatric Care. Placement is provided to those students in old age homes, home care units, hospitals, etc. This centre works for socially and educationally related assignments sponsored by the Central Government and schemes on "inclusiveness with equal access to all".

Research Publications

The Management Journal 'Prerana' and Science Journal 'Advances in Applied Research' are published from within the campus.

Ragging is Banned

Ragging is strictly prohibited in this institution. Names of those indulging in ragging will be instantly removed from the roll and further action will be taken, as per Government order.

SC/ST, OBC Scholarship

The eligible SC/ST, OBC, PwD students should submit their scholarship form for the academic year by February for processing scholarship to SC/ST, OBC, PwD each year.

Collaborations with Foreign Universities

The Office of International Relations (OIR) in PSGRKCW is engaged in developing, nurturing, and sustaining academic and professional collaborative relations with recognised institutions globally. In addition to the existing collaborative partnerships with San Diego State University and Oregon State University in the USA, CETYS University in Mexico, Nottingham Trent University in the UK, and Universiti Malaysia Pahang in Malaysia, during 2019-20, the college has entered into partnerships with Swinburne University of Technology, Sarawak Campus in Malaysia and the University of Dar Es Salaam in Tanzania. Students and faculty mobility and joint faculty research are core areas of focus in these partnerships.

Prohibition of Child Marriage Act 2006

"Child marriage has serious consequences for national development, stunting education and vocational opportunities for a large sector of the population. Furthermore, marriage at a very young age has grave health consequences for both the young women and their children."

As per the Prohibition of Child Marriage Act 2006, the penalty for facilitating child marriage is rigorous punishment for up to 2 years and/or a fine of 1 lakh rupees.
