About RITEE Group

- Established in the year 1995
- By eminent technocrats, industrialists, and management professionals
- To meet the needs and challenges of the third millennium.

Vision

The group looks forward to establishing itself as a premier technical educational institution imparting quality education at the graduate and post graduate levels, to the students pursuing courses of study in areas of industrial requirements and emerging technologies.

Mission

The Institution dedicates itself to educate and train students to enable them to achieve a perceptible value addition in their technical knowledge and skills, and inculcate a positive attitude towards life; along with enhanced employability, at the time of passing out from the institution, by forging a strong and viable partnership with industries.

The Group excels in the field of

- Engineering
- Pharmacy
- Nursing
- Commerce
- Management
- Hotel Management
- Computer Application
- Education.

Vocational Training Programs

The Group also join hands with Central Govt. and State Govt. to ensure the success of Skill India Mission by running various Vocational Training Programs under various schemes such as PMKVY, DDU-GKY etc.
