PROSPECTUS 2019-20

“Education is not the amount of information that is put into your brain and runs riot there, undigested all your life. We must have life-building, man-making, character making, assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library. If education were identical with information, the libraries would be the greatest sages in the world and encyclopaedias the rishis.”

-Swami Vivekananda

Years of Academic Experience

It was in the year 1997, that Dr. S.C.Vats, founder of Vivekananda Institute of Professional Studies (VIPS), met Swami Jitatmanandaji, an eminent educationist, management expert, author of books on Modern Physics & Vedanta and Indian Ethos in Management, an active social worker and the editor of Prabudh Bharat (Awakened India), a journal started by Swami Vivekananda.

As the destiny ordained under a silver oak tree at 'Advait Ashram' in Mayawati in Pithoragrah District of Uttaranchal, vibrating thoughts were flowing from Swamiji's lips in the balmy aroma of the dense pine and fir forest and he almost gave a diktat to Dr.Vats to set up an Institute, for higher learning in the capital city of India, in the name of Swami Vivekananda, a prophet and a path finder.

It was a gigantic task that fell upon Dr.Vats' shoulders. But resolved as he was, he returned to Delhi and in a couple of months' time sold his ancestral house and from the sales proceed of that house seed capital was created, which was so very important for establishing a new Institute with high ideals.

In order to materialize Swamiji's dreams, Dr.Vats rolled out a road map. As a first step, he held brain storming session with eminent scholars and people from academia along with some legal luminaries and retired civil servants. The brain child of which was a society for Total Revival of Nation, thus called the Society for Total Revival and National Glory and True Heritage (STRENGTH), which was later registered as a charitable society under the Registration of Societies Act, in 1998 with a mission of making VIPS an ideal educational Institution with the clear objective of "Man Making, Character Building, Nation Building" as envisaged by Swami Vivekananda.

From the Chairman

“We want an education by which character is formed, strength of mind is increased and intellect is expanded by which one can stand on one’s feet,” said Swami Vivekananda. It is in pursuit of this dream of Swami Ji, that the foundation of STRENGTH India Educational Society was laid and thereafter, Vivekananda Institute of Professional Studies (VIPS) was established in 2000.

Even as a sapling, its roots were firm, for they were energized by Swamiji’s teachings. Today, VIPS has grown into a banyan tree, nestling sixteen courses. We continue to stand with determination, moral sight and strength of mind to create capable and ethical human beings with infinite power, infinite knowledge and indomitable positive energy.

To impart training to the students in this direction, we provide innovative pedagogies to encapsulate the prescribed curriculum along with consistency, thereby focusing on the holistic growth of every student at VIPS.

From The Director General

Broadly speaking, education is a way to solve the social problems and evils that the society has been inflicted with, in the aftermath of the tremendous emphasis on materialism. According to Swami Vivekananda, education plays the role of awakening man whereby he/she is able to balance materialism and spiritualism. It is a process of processing accumulated information, strengthening mind and sharpening intellect to realize one's own self and become confident in carrying out one's task legally, morally and ethically.

At VIPS, we, together with the parents, strive to shape the characters of our students, enabling them to strengthen their mind and spirit, building within them the commitment to serve the society.

From The Principal Director, VIPS-TC & Chairperson, VSBS, VSIT, VSE & VSES

One of the greatest lessons we imbibe at VIPS is to pay as much attention to the means of work as to its end. Our collective focus is on classroom teaching along with co-curricular and extra-curricular activities, which fosters the holistic growth of our students. With the means all right, the end does flow, enabling our students to be placed in fields of success and might.

Following the precepts of Swami Vivekananda, we ardently believe in the fact that 'doing work is not religion, but done rightly leads to freedom.' It is this freedom which enshrines character and navigates intellect to blossom into comprehensive learning. All of this is carefully monitored through arduous discipline and impeccable accountability.

I wish each one of you a very productive academic session at VIPS.

I would share with you five beautiful thoughts from Swami Vivekananda: "Education is the manifestation of the perfection already in man; All power is within you, You can do anything and everything; Arise, Awake and Stop not till the goal is reached; The secret of life is not enjoyment but education through experience; You are the creator of your own destiny."

It is man-making education, as Swamiji said, all round that we want and for that opportunities are in plenty here. If you manage to imbibe these thoughts as your guiding principle during your stay at Vivekananda Institute of Professional Studies, you are destined for success in life.

VSBS focuses on imparting holistic and value based education in Business Studies. The school aims at preparing students for tomorrow, equipping them today with the right knowledge, skills and attitude, that will help them perform more effectively in their future work life.

The industry today is talking of ever evolving technology and the increasing skill deficit in the young management graduates to cope up with this change. VSBS is making a sincere attempt to bridge the skill gap by imparting value added training programs on pertinent skill sets including – Digital Marketing, Data Sciences, Data Analytics, Financial Modelling, Resume Writing and Group Discussion and Personal Interview Training etc. The Course on Financial Modelling is run in collaboration with the National Stock Exchange. Students are constantly exposed to the latest developments in the corporate world through Conclaves, Workshops, Guest Lectures, Industry visits etc. Students are trained on Advanced Excel as a part of their classroom teaching of quantitative techniques and latest research techniques like R are used to teach students quantitative data analysis and research techniques. Students and faculty constantly update their knowledge through daily news updates which are circulated to students on a weekly basis.

Students are motivated to participate in role plays and other classroom activities. These activities are created by faculty to get the students involved in classroom thus enriching their learning experience.

To ensure that students get good placements, the department works on the individual resume building of every student aspiring for a job to ensure best presentation of the student to the corporate world. The Placement cell works continuously to train students on Group Discussion techniques, Personal Interview skills, Verbal communication and Presentation skills for overall personality development.

To prepare students for challenges of corporate life, students are also trained on Life Skills to ensure they work with morally upright values and work for the larger benefit of society and nation.

To take care of the emotional and mental health of students, all students are mentored individually by faculty members to facilitate a deeper personal interaction between them and their mentors. This interaction is aimed at ensuring a greater understanding and bonding between students and faculty thus ensuring that students are guided not just academically but also on social and personal matters.

To cater to the evolving needs of student training, all faculty members are sent on regular training programs to equip them with latest technological and pedagogical interventions which they can then use them in their day to day class room teaching. The faculty is thus able to create innovative pedagogies, emphasizing on learning by doing thus ensuring that students are able to focus on the classroom learning.

VSBS students have been placed with reputed companies like E&Y, Amazon, Godrej, Genpact, Concentrix, IBM etc. more than 40 companies have visited the campus for placements & internships and around 100 students have been placed with an average package of 4.0 lacs.

Vivekananda School of Economics (VSE)

Vivekananda School of Economics (VSE) is the new initiative of VIPS launched in 2017. The reason why there is a growing demand amongst students for Economics or the high cut-off rates in the subject are an indicator to the fact of the growing relevance of Economics in the world today. To cater to this growing need and demand, VIPS has initiated BA (Honours) Economics programme with an intake of 120 students. In Law, Journalism, IT and Business Studies VIPS has already been a leader and in Economics too it will now be the new torch bearer. What attracts one to this course surely is employability and also the prestige associated with the subject. What goes in for enhancing one's employability are essentially the specific skills that one will hone and learn while earning a degree in Economics at VSE from distinguished faculty trained at prestigious universities in India and abroad. The department intends to establish a very strong industry academia connect. This link with the global community of scholars and industrialists will be maintained by hosting visitors from academia and industries, running regular expert sessions, panel discussions and organizing conferences on select themes.

The three year BA (Honours) in Economics combines diligence with relevance, empowering the students with economic theories, empirical techniques and contemporary policies which they can relate with real life scenarios.

Code of Conduct and Examination Rules & Teaching Scheme

Striving towards excellence, VIPS has emphasized on complete academic discipline and integrity in every academic activity that takes place on campus. To facilitate this every year a rule book is circulated to all students, staff and faculty of the institute thus instilling an ethical and value based culture on campus. The work culture of the institute prohibits any and every form of ragging (including abusing, harassing, ill-treating, man handling, bullying or awarding undignified or unauthorized punishment to students by any other student and promotes mutual respect.

Vivekananda Journal of Research (VJR) ISSN:-2319-8702; Online ISSN:-2456-7575

As an effort to foster multidisciplinary research, VIPS publishes a bi-annual journal titled Vivekananda Journal of Research (VJR). The Journal is listed by UGC and has gained popularity, readability and audience over the years in academic fraternity.

VIPS Students Law Review

The VIPS Law Review (Registrar of News Papers of India Registration No. DELENG/2018/76975) is an annual Journal of Vivekananda School of Law and Legal Studies, which will be releasing its first volume in 2019 and it has received an overwhelming response to its first "Call for Papers". The Journal will consist of research articles and case comments and it aims to nurture the research initiatives of students and professionals by giving their work a wider audience and readership. The unique features of this journal are:

- The journal will be publishing the research papers written by students and professionals.
- Students pursuing law will be assisting the Editorial Board.

Ahvan Bi-Annual Magazine

Ahvan, the bi-annual magazine of VIPS gives an account of co-curricular and extra-curricular events including conferences, lecture series, workshops, seminars, counseling sessions, placement and internship drives etc organized by the institute. The magazine thus enlists achievements and accomplishments made by students and faculty members of all the schools at VIPS in an academic semester.

Case Material VSLLS, VIPS

The Law School has undertaken a unique initiative of preparing and printing cases and study material. The aim is to inculcate the habit of extensive and intensive reading among the law students so that they study the landmark judgments of High Courts and Supreme Court of India in their entirety and understand the relevant subjects more thoroughly. The Law School has published ten case materials on the following subjects this year:

- | | | |
|------------------------|---------------------------|-------------------------|
| • Administrative Law | • International Trade Law | • Constitutional Law II |
| • Labour Law | • Criminal Law | • Law of Contract |
| • Indian Legal History | • Law of Torts | • International Law |
| • Property Law | | |

Case material for twenty more subjects are under preparation. All faculty members are involved in the process of preparation of cases and material under the guidance of Prof. B.T. Kaul, Chairperson and the Dean, VSLLS.

WIDE ANGLE

Technological Advances

VIPS uses a Learning Management System (LMS) which facilitates virtual learning facilities to students to strengthen the classroom learning experience and allows students to continue their reading and learning after the class hours and outside the classroom.

The LMS facilitates online dissemination of information to all students, faculty and staff, related to academic calendar, reading material including lecture notes and videos, assignments, discussion forums, tests and quizzes, grade-book etc. The system also updates students on his/her attendance and academic performance in class.

Career Progression Activities

The following activities are conducted on campus continuously:

- Skill Based Training programs including – Advanced Excel, Analytics, Digital Marketing etc
- Coaching for CAT and GMAT examinations
- GD and PI Preparatory Workshops, both by external experts and internal faculty with rich corporate experience
- Corporate Mentoring to students for career choices and planning
- Alumni Mentoring to students for better corporate and life skills

Academic Flexibility

- Remedial classes are organized for students with weak academic performance
- Internal evaluation for a student is devised through an amalgamation of evaluation processes viz. home assignments, viva, group discussions, presentations and theatrical representation of ideas

Value Added Short-term/Skill Development Programs

NSE Certified Capital Market Professional (NCCMP) Course in association with National Stock Exchange Academy Ltd., is conducted to develop skills to understand and analyze financial securities in terms of their risks and returns.

Skill Enhancement Workshops : Skill Enhancement on Internet of Things (IoT), Python, Data Sciences, Application Development with Android, Cyber Security workshops are conducted to train students of IT to help enhance employability and make students industry-ready. This interactive course is disseminated through experiential learning.

Technological Advances

VIPS uses a Learning Management System (LMS) which facilitates virtual learning facilities to students to strengthen the classroom learning experience and allows students to continue their reading and learning after the class hours and outside the classroom.

Academic Council

The Academic Council at VIPS is the apex body supervising all academic activities of the Institution. It aims to achieve and maintain the highest standards of quality education at par with the best of the country through rigorous academic discipline and integrity.

Students' Welfare Department

The Students' Welfare Department has a mission to create, promote and maintain a student-friendly environment in the Institute, with zero tolerance to indiscipline. It also endeavors to develop a sense of ownership for the Institution among the students.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell of VIPS strives to ensure constant institutionalization of quality in all academic endeavors. This cell acts as a nodal agency to channelize and converge the systematic and coordinated efforts of all the stakeholders of the institution towards quality assurance and sustenance in the teaching learning processes adopted.

Examination Department

The Examination Department functions to create and enforce strict policies to improve the reliability and quality of examination processes conducted by the Institute. It follows the university guidelines on examinations, ensuring that the best assessment, evaluation and grading methodologies are put in place.

Anti-Ragging Cell

All forms of ragging-related activities are strictly forbidden at VIPS. Besides being a criminal offence as directed by the Supreme Court of India, ragging is a social evil which forms the greatest roadblock

in developing a conducive environment to learning. Therefore, the Institute adopts a zero-tolerance approach towards ragging and any student found guilty of this shameful practice will receive the strictest possible punishment. Further, all students seeking admission to the Institute are required to submit an affidavit affirming their willingness to abide by the rules and maintain a cordial atmosphere on the campus. The Institute urges all students to shun ragging-related practices and instead work together to promote a cordial atmosphere.

Internal Complaints Committee (Sexual Harassment)

The committee looks after the safety and welfare of women on the campus of the Institute. VIPS believes in the importance of safeguarding and empowering female students and staff as a priority in establishing high-quality global education. Dean Students' Welfare is the Chairperson of the committee and the other members include a representative from NGO also, as per the UGC guidelines. The Committee has been constituted and functions as per the guidelines of the University. The details of this committee are available on the website of the institute and in the student handbook provided to all students of VIPS.

Students' Grievance Redressal Cell

The institute has a Grievance Redressal Committee to address complaints and grievances of students. The Committee has been constituted and functions as per the guidelines of the University. The details of this committee are available on the website of the institute and in the student handbook provided to all students of VIPS.

The National Service Scheme (NSS)

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. The motto of National Service Scheme is NOT ME BUT YOU.
